

Eagle Conferencing and Eagle Teleconferencing capture 2007 Product of the Year Award from Communications Solutions

Eagle Conferencing and Eagle Teleconferencing ConferenceLine honored for Outstanding Quality

New York, USA and Bangalore, INDIA: June 16, 2008 — **Eagle Conferencing, India and Eagle Teleconferencing, USA** announced today that Technology Marketing Corporation's (TMC®) *Communications Solutions Web site* has named **Eagle Conferencing and Eagle Teleconferencing** as a recipient of its 2007 Product of the Year Award.

Since initiating its flagship and award winning conference call services in India as of August 2007, Eagle Conferencing has experienced rapid rise in building a solid customer base in value added voice communications services. "We are very privileged with this prestigious quality award especially within the short period that the service has been active in India, and it clearly demonstrates the value creation and delivery of our innovative conference Call services," says Kent Charugundla, founder and CEO of EagleNet Group. "Meanwhile in USA, the company has embarked a significant growth in conference line business during last 20 years. We are honored with the trust and confidence of our satisfied customers. Eagle Conferencing and Eagle Teleconferencing will continue to address growing demands of our global client base with innovative marketing, a suite of latest products, and continuous application development."

EagleNet's goal is to continue as a leading, highly reliable service provider with competitive pricing and excellence in quality. In support of that aim, Eagle Conferencing in India is offering a free trial to all new customers regardless of how many minutes they use.

"Eagle Teleconferencing and Eagle Conferencing (India) have been recognized with a 2007 Product of the Year Award for their excellence in the advancement of voice, data and/or video communications," said Rich Tehrani, TMC President and Group Editor-in-Chief of *Communications Solutions*, **"Eagle Teleconferencing and Eagle Conferencing (India)** have proven they are committed to quality and excellence in solutions that benefit the customer experience as well as ROI for the companies that use them. I am pleased to honor their hard work and accomplishments and look forward to more innovative solutions from them in the future". The eighth annual *Communications Solutions* Product of the Year Award recognizes the vision; leadership and attention to detail that are the hallmarks of the prestigious award.
